Re: Unauthorized Nicotine Products

Dear Mr. Mace:

Thank you for reaching out regarding the Unauthorized Nicotine Products letter issued earlier this month by the Vermont Attorney General Office's ("AGO").

The AGO understands that JUUL Labs, Inc. (JLI") is currently selling products in Vermont pursuant to the Consent Judgment entered on December 12, 2022, in *State v. JUUL Labs, Inc.*, 22-CV-04349 (Vt. Super. Ct., Dec. 12, 2022). Such sales are unaffected by our letter and may continue, so long as such products are sold in compliance with the Consent Judgment and all other applicable laws.

We hope that this clarification addresses JLI's concerns.

Sincerely,

/s/ Rosemary M. Kennedy

Assistant Attorney General
